**Strong recommendation for all school systems to maintain a building that is open to assist students with remote learning, to ensure safety and food security or to**

for medically vulnerable children and families who select that option for their children.

Continue strict contact tracing, education about testing and staying home when ill or a close contact. Be prepared to move to virtual learning and provide virtual options for medically vulnerable children and families who select that option for their children.

**Strong recommendation for all school systems to maintain a building that is open to assist students with remote learning, to ensure safety and food security or to enter into an agreement with community organizations to do the same.**

---

**PRE-K-12 RECOMMENDATIONS BASED ON LEVEL OF COMMUNITY SPREAD**

This information is designed to help local officials make decisions about school operations based on the level of COVID-19 in their counties. Schools may remain open to in-person instruction at all levels as conditions permit. Decisions should be made in consultation with local health officials in accordance with all current local and state guidelines.

**PRE K-12 RECOMMENDATIONS**
