Pulaski County Library

Lending a Helping Hand

Some of our libraries are not only offering space for vaccine clinics, many are helping with registration, too. "Public libraries are trusted and within reach for most Hoosiers. Libraries are

often the only location where a resident may access the Internet. Our partnership with the state Department of Health to help neighbors access credible vaccine information and registration just makes sense," said Lucinda Nord, Executive Director, Indiana Library Federation. [READ more.](#)

Second Dose News:

The Centers for Disease Control and Prevention recently updated its [guidance](#) for the spacing of the second dose of both the Pfizer and Moderna vaccines. (Scroll down to "Administration")

To date, **258,213** Hoosiers have been fully vaccinated! Check out the [dashboard](#). Learn more about the [Moderna](#) and [Pfizer](#) vaccines.

Super Message

One of the largest television audiences every year is the Super Bowl. What a great day to debut the new "It's Our Shot, Hoosiers" message. Use this link: <https://www.youtube.com/watch?v=g1aloSuzzJs&feature=youtu.be>

Are you Eligible?

Hoosiers 65 and older are now [eligible](#) to receive the vaccine. Go to [OurShot.IN.gov](#) to schedule an appointment 24 hours a day, or call 211 (7 days a week, 8 a.m. to 8 p.m.)

Long-term Care Update:

Walgreens & CVS are partnering with our state skilled nursing and assisted living facilities to get residents and staff vaccinated. To date, ALL 534 skilled nursing facilities have had their first round of vaccinations and are currently working through the next round of visits for the second dose. Of the assisted living facilities in this partnership, all will have completed their first clinic visit by Feb. 15 and second by March 15.
