

COVID-19 VACCINE

Latest Updates & Resources

February 17, 2021

Was Your Vaccine Appointment Canceled Due to Weather?

You can reschedule your appointment by clicking on the link in your last confirmation text message or email, or you can call 211. We are working to reschedule everyone as quickly as possible. Thank you for your patience.

Curious about what to expect when you get vaccinated?

We have created two new flyers to help you prepare for your vaccination appointment. The first is a tour of the vaccination site process from when you arrive to when you're vaccinated and ready to go. The whole process usually takes 25 minutes or fewer. We've also added What to Bring When You Get Your COVID-19 Vaccine so you can make sure you have what you need when you come to the appointment. You can find both of these helpful documents at [OurShot.in.gov](https://www.ourshot.in.gov) under [Latest News and Resources](#).

To date, **356,204** Hoosiers have been fully vaccinated! Check out the [dashboard](#). Learn more about the [Moderna](#) and [Pfizer](#) vaccines.

NEW quarantine guidance after 2nd dose

You are no longer required to quarantine following an exposure to someone with COVID-19 if fully vaccinated (you've had both doses) and you meet specific criteria:

- Are fully vaccinated (2 weeks after getting final dose)
- Are within 3 months after getting the last dose
- No COVID-19 symptoms

Anyone who doesn't meet all three of the above criteria should continue to follow current [quarantine guidance](#) after exposure to someone with suspected or confirmed COVID-19. Read the [new CDC guidelines](#) (and scroll down to Public Health Recommendations for Vaccinated Persons).

Special Education Reminder:

Educators who provide specific assistance to special education students in the classroom during the school day are eligible for the vaccine. These include:

- Daily medical care such as suctioning
- G-tube feedings
- Medication administration
- Diabetic and wound care
- Toileting

This is not a new eligibility. [Read our eligibility guidelines](#).

NOTE: *If you are eligible, you must bring a letter from your school principal or administrator attesting that you meet the above criteria.*

Hoosiers 65 and older can now make an appointment at [OurShot.IN.gov](https://www.ourshot.in.gov). Keep eye on our social media, and broadcast and print media for notice on when those 60 and older will be [eligible](#).

Helpful Resources
