

COVID-19 VACCINE

Latest Updates & Resources

February 3, 2021

Hoosiers age 65 and older: **It's your turn!**

Go to [OurShot.IN.gov](https://www.ourshot.in.gov) to schedule an appointment — 259 sites now open! Nearly 117,000 Hoosiers signed up on Monday, and by Wednesday over 46% of Hoosiers 65-69 had an appointment. [OurShot.IN.gov](https://www.ourshot.in.gov) displays clinics around the state, or dial 211 if you need help making an appointment.

Pregnancy Guidance

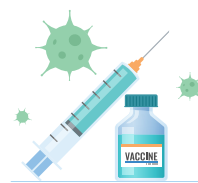

You may have heard different guidance on pregnancy and the COVID-19 vaccine. You can find guidance from the CDC [here](#). The best advice? **TALK** to your doctor.

To date, **166,131** Hoosiers have been fully vaccinated! Check out the [dashboard](#). Learn more about the [Moderna](#) and [Pfizer](#) vaccines.

Remember:

Age is the No. 1 factor for hospitalization and death due to COVID-19. Our [eligibility guidelines](#) protect our most vulnerable friends and family first. Thank you for your patience while this vaccine is still in limited supply.

More Vaccinators

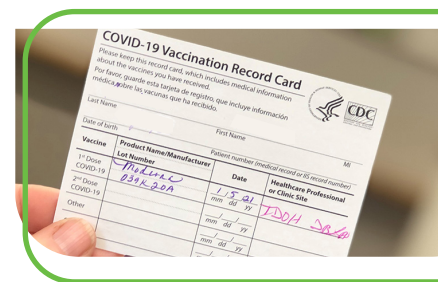

In response to this historic vaccination effort, the U.S. Department of Health & Human Services declared health professionals with recently expired licenses or with out-of-state licenses can [serve as vaccinators](#).

New Vaccine:

[A significant hurdle has been passed](#) by the next vaccine candidate likely to apply for Emergency Use Authorization through the Food & Drug Administration. This is a [viral-vector vaccine](#) requiring one dose. Efficacy rates range from 72% prevention of moderate illness to 100% prevention of hospitalization and death.

TIP:

Take a photo of your vaccination card with your smartphone. The photo comes in handy if you lose the card before your second dose.
