

# COVID-19 VACCINE

## Latest Updates & Resources

April 28, 2021

### J & J VACCINE: BACK IN USE

The Centers for Disease Control and Prevention and U.S. Food and Drug Administration [lifted its recommended pause of the Johnson & Johnson's \(Janssen\) COVID-19 vaccine](#). The Indiana Department of Health supports administering J&J with a caution about a rare but serious adverse event noted in the new vaccine [fact sheet](#). This reaction, a specific type of blood clot combined with low platelet levels, has affected approximately two in 1 million people, and women age 50 and younger were specifically noted in the advisory.

#### Seek medical attention if you experience:

- Severe or persistent headaches or blurred vision
- Shortness of breath
- Chest pain
- Leg swelling
- Persistent abdominal pain
- Easy bruising or tiny blood spots under the skin beyond the site of the injection

### WALK-IN CLINICS STATEWIDE

Patrons without an appointment can now receive a COVID-19 vaccine at hundreds of clinics across the state. Visit the map at [OurShot.IN.gov](#) to find a clinic near you. Appointments are still needed at pharmacies.

### Rideshare services Lyft & Uber offering free rides to vaccine clinics

- **LYFT:** Through a partnership with IU Health, arrange your free Lyft by calling 1.888.484.3258 and select option 9. An operator will arrange a Lyft ride for your appointment.
- **UBER:** Call 211 (or 1-866-211-9966) and agents will arrange for you to receive a voucher for a free ride. *(NOTE: Free Uber rides are not available for all clinics. 211 will advise.)*
