

# COVID-19 VACCINE

## Latest Updates & Resources

May 26, 2021

### Parents & Guardians – take note

[The Pfizer vaccine is recommended for kids as young as age 12.](#) Please note that an adult must accompany

children ages 12-15 to the vaccine appointment. If the adult present is not the parent or guardian, consent must be submitted in advance. For anyone

age 16-17, it's preferred that a parent or guardian accompany the minor to the vaccination site. We understand this may not always be possible. In those cases, the parent or guardian can provide written or verbal authorization.

The COVID-19 vaccine can now be administered at the same time as routine vaccinations, so now is the time to get the COVID vaccine and catch up on any routine vaccinations you may have missed during the pandemic.

Remember, once you're vaccinated (two weeks after getting the second dose), you won't be sidelined by quarantine from your favorite activities, so long as you don't develop symptoms. Find a clinic near you at [OurShot.IN.gov](#).

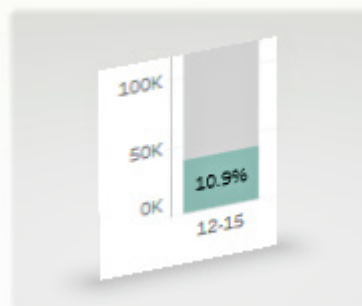

### UPDATE:

You can now receive your COVID-19 vaccine with other vaccinations. Read the CDC's guidance on vaccinations. [Read the CDC's guidance on coadministration with other vaccines.](#)

To date, **2,460,195** Hoosiers have been fully vaccinated!

### Vaccine dashboard: Kids 12 – 15 now in the mix!

We've started adding data for our youngest Hoosiers who are eligible for the Pfizer vaccine. Check out [Indiana's vaccine dashboard](#) and click on "population" in the upper right corner. Over 10% of kids age 12 – 15 have already received their first doses.

### Vaccine available at mobile clinics statewide

With a goal of getting more Hoosiers vaccinated, several mobile clinics dispensing the Pfizer vaccine are planned. These sites also have Johnson & Johnson and/or Moderna, except as indicated.

#### Now through May 27

- Tippecanoe County Amphitheater, West Lafayette
- First Church, Wheatfield (Pfizer only)
- Mooresville High School, Mooresville

#### Now through May 28

- Reynolds Parking Lot, Reynolds

#### Now through May 29

- McMillen Park, Ft. Wayne

#### May 27 through May 29

- Civil Rights Heritage Center, South Bend

#### June 2 ONLY

- Delaware County Fairgrounds, Muncie (Pfizer and Moderna)

Pfizer vaccine is suitable for ALL Hoosiers 12 and older. For your convenience, walk-up appointments are offered at most vaccination sites, but you can save some time by making an appointment and registering in advance. Visit [OurShot.IN.gov](#) and search by clinic's name or city.

#### June 2 through June 3

- Allen Temple AME Church, Marion

#### June 2 through June 4

- Butler Methodist Church, Butler

#### June 2 through June 5

- Mt Pisgah Baptist Church, Shelbyville (Pfizer only)

#### June 2 through June 5

- Syracuse Community Center, Syracuse
