

# COVID-19 VACCINE

## Latest Updates & Resources

March 10, 2021

### Vaccine pop-up clinic in Gary

Calumet New Tech High School, 3900 Calhoun St., Gary, is hosting a drive-through vaccination clinic **8 a.m. to 6 p.m. CDT March 20**, and **8 a.m. to 4 p.m. CDT March 21**. **Eligible** Hoosiers need to make an appointment at [OurShot.IN.gov](https://www.ourshot.in.gov). Find the site on the map, click to register and then search for the ZIP code 46408 to pull up this clinic, or call 211 for assistance.

(You must be an Indiana resident and show proof of age. That can be a photo ID or other document, such as a utility bill, bank statement, lease agreement or record from your doctor with your address and date of birth.)

Indiana Rep. Robin Shackelford at the Indianapolis Motor Speedway

"I just want to stress how quickly this vaccine came about, our history when it comes to getting vaccinations, and feeling like guinea pigs, but I want (to assure you) that we feel this vaccine is safe." View [VIDEO](#) of full comments here.

### Did you know?

Teachers and staff in pre-Kindergarten to grade 12 (pre-K-12 schools) and childcare workers age 50 and older can get vaccinated at any site. Those younger than 50 can currently get vaccine at Kroger and Meijer. Additional sites will open Monday. Visit the map at [OurShot. IN.gov](https://www.ourshot.in.gov) to find a location.

### Need proof of your vaccination?

Head to the [Access Indiana](#) page and look for the Indiana Vaccination Portal. Use your Access Indiana account or create a new one to print your vaccine certificate.

### New guidance for fully vaccinated Hoosiers

The CDC released this week new COVID-19 precautions for people who are fully vaccinated. [READ](#) what prevention measures you should continue and what has changed.

Indiana received the first box of Johnson & Johnson single-dose vaccine packed and signed by workers at the McKesson Corp. in Shepherdsville, Kentucky

To date, **744,712** Hoosiers have been fully vaccinated!

### New high-risk groups eligible

The Indiana Department of Health has expanded the list of individuals with high-risk conditions who are now eligible for vaccination. Hoosiers can review the [complete eligibility list](#). These patients are identified by their physicians and will receive notification via text or email with a unique registration link. (Patients should contact their provider if they have not received notice of eligibility.)
