COVID-19 Screening for Parents

Every morning before you send your child to school please check for signs of illness:

1. Does your child have any sign of illness above?
2. Was your child in close contact (within 6 feet for a total of 15 minutes over a 24-hour period) with anyone confirmed with COVID-19?
3. If the answer is YES to any of the questions, DO NOT send your student to school. Instead, get your child tested for COVID-19 and isolate them until their test result is received.
4. Please keep your student home until they meet the criteria to return to school.

If your child has trouble breathing, chest pain, new confusion, inability to wake or stay awake or bluish lips or face. CALL 911!
